#### Clean Solar offers cash for your 30% federal tax credit

San Jose, CA—Clean Solar, Inc., a San Jose based solar power installer, announced this week it will allow all customers to receive credit for their federal tax credit immediately.

Clean Solar calls the revolutionary program- "Upfront Tax Credit". All residential and commercial solar customers are eligible for a 30% tax credit from the federal government. This Upfront Tax Credit program is offered exclusively thru Clean Solar will discount the solar system by 30% immediately. The consumer repays the loan at no cost once they receive the tax credit. The Upfront Tax Credit is typically 6 or 12 months in duration. 90+% of residents will qualify for the program.

You can find out more about the program and Clean Solar at [www.CleanSolar.com](http://www.CleanSolar.com) or by calling 888-551-SOLAR.
